Dear Saints of First Presbyterian Church:

A woman whose little daughter had an unclean spirit immediately heard about him, and she came and bowed down at his feet. Now the woman was a gentile, of Syrophenician origin. She begged him to cast the demon out of her daughter. He said to her, "Let the children be fed first, for it is not fair to take the children's food and throw it to the dogs." – Mark 7:25-27

The healing of the Syrophenician woman's daughter is one of the hardest ones to wrap our brains - and our faith - around. It can be troubling and difficult to understand but there is good news here yet. We'll talk about it Sunday.

Know that you are loved.
