

A Note from Connie Parker

Bible stewardship is the concept of being a responsible manager of the gifts God has provided for us. We as his people are so blessed with a congregation that is loving, caring, and generous. However, we must understand that stewardship in the Bible has to do with understanding the importance that our life is not our own. We are on loan from God. It is our responsibility and privilege given to us by God to manage everything in our life in a manner that honors Him.

This is the time to really consider where you are. Tithing and stewardship are not just applicable during this season. It is an everyday commitment that we make to honor and glorify God. He loved us so much that He sent His son to shed his blood for us. He provides daily for our needs. He wants our undivided loyalty, gratitude, and commitment. Please rethink your commitment of time, talents, and money for the coming year during this week. You know you cannot out give God. Your pledge to support His kingdom by way of your time and finances is your way of honoring and obeying God's Word.

Congratulations to Spencer and Jon Coleman on the birth of their son, Thomas Giles Coleman!

Congratulations to Marion Smith Nee, daughter of Randy & Sarah Smith, on becoming a grandmother! Bianca and Matthew Nee welcomed Hope Vivian Nee last Friday!
