EASTER PHOTOS

On Easter Sunday, a professional photographer will be here to take photos for our new website. Please consider sitting in the front section of the church so the photographer can set up in a way to get everyone in a photo of worship. These photos, and subsequent website, are important elements for people seeking a church home AND for a minister considering being our pastor.

If you wish for your family to not appear in pictures on the website, please let us know in the church office.

Please add Charlsie Cox, granddaughter of Judy Cox, to the prayer list. She is at the Cincinnati Children's Hospital.

Please continue to keep Tommy Horger and John Swofford in your prayers.
